

# LIU YONGKANG

## AI COMMERCIAL EXECUTION SPECIALIST

Turning complex AI capabilities into stable, reusable and practical commercial output.

Guangzhou · Born 2004.10 · 2 years · Open to work

159 1456 6997 · 785446006@qq.com

### 01 / PROFILE

With a foundation in software development and hands-on e-commerce design experience, I work across LLMs, AI image and video generation, agents and automated workflows. I turn model capabilities into reusable processes for dependable commercial visuals, product videos and working prototypes.

### 02 / EXPERIENCE

JUL 2025 - AUG 2026

#### GUANGDONG HUGUANG YUNJIE BIOTECH

E-commerce Designer · Cross-border / Pet Health · CNY 8K/mo

- Created e-commerce visuals, detail pages and ads for pet health products.
- Integrated AI into scalable production, improving speed and consistency.

MAY 2024 - JUL 2025

#### GUANGDONG HUASHANG CULTURE MEDIA

E-commerce Designer · Advertising · CNY 7K/mo

- Produced hero visuals, campaign pages, detail pages and promotional assets.
- Translated selling points into multi-channel visual communication.

### 03 / EDUCATION

#### THE OPEN UNIVERSITY OF GUANGDONG

Computer Networking, Information & Software · Associate · 2022-2025

### 04 / SELECTED PROJECT

## GENESIS AI PLATFORM

PERSONAL · COMMERCIAL AI · PLANNING & DEVELOPMENT

A unified platform combining multiple AI models, automated workflows and agents for lower-cost, faster and more consistent commercial content. Independently led planning, structure, workflow design and Codex-assisted prototyping.

Multi-model

Agent

Workflow

Codex
